Hi Mike,

I just spoke to Claudia. I think we are all on the same page, as long as we have Elliott's review by the time we start work on Monday, we can keep this moving.

Thanks,

Dee

I just talked to Claudia; she's done. I'm going to take a quick look at a couple of areas we discussed and will then let Elliott know the ball is in his court. I'll plan on asking if he can get back to us by COB tomorrow, unless you'd like me to propose a different time.

(And I agree: Claudia's work on this has been extremely impressive, both in speed and quality. I've also been impressed by her unflappable attitude throughout.)

Hi there,

So, Claudia is nothing short of amazing. She is hopeful that she will be able to finish addressing Elliot's comments by COB today. In order to keep this moving, we would like to know how quickly Elliott would be able to complete his review and sign off for OGC. Could you please reach out to Elliott to discuss timing?

Thanks,

Dec
